Our scholarships are given to artists of all ages in the categories of:
Dance, Theatre, Literature, Music and Visual Art, along with special awards for
projects benefiting the community. To maintain objectivity in the selection
process, the applications are judged by a committee of seven to ten creden-
tialed professionals located outside the County of Santa Barbara. The decisions
are based on basic talent for the art, a desire for a career and financial need.

Following are this year's recipients.
