Dear friends,

Ever since my parents made Montecito their permanent home, my mother, Adele Wilkie, transformed our garden into a colorful Fiesta party filled with her many friends and relations. Her love of theme parties was legendary, and as Fiesta was her favorite theme of all, her Fiesta parties were works of art.

A few years ago she shared her extensive Fiesta memories with the Profant Foundation so that they could keep the elegant traditions of Fiesta alive and through Fiesta provide support for the arts. We are now thrilled to see my mother's traditions carried on and expanded by the Foundation's Fiesta Finale.

I hope you will join Jon and me this year as we honor the legacy of Fiesta so loved by my mother.

Everyone should have the opportunity to experience the incredible ambiance of the Courthouse Loggia at twilight and its gardens under the stars surrounded by beautiful architecture shown to its best advantage as the stage for romantic Latin dancing. All of these elements combine to set the stage for an unforgettable program that - as mother put it - "could be taken around the world on tour!"

We've asked our friends in Lake Forest to join us in this celebration where art truly does come to life in the living tableaux of dancers and musicians. This show is the best kept secret of Santa Barbara, and your generous support benefits local artists of all ages and mediums! We look forward to sharing this experience with you. Be sure to call early for the best seats and come prepared for the Costume Contest!

Viva la Fiesta!

Bonnie Wilkie Henricks,

Honorary Chair Fiesta Finale
